

# Samantha Mumba, Wish Upon A Star

Remember when I said I wont miss you  
The truth is that I do  
I never stopped thinking about you

We are meant together the two of us are bound  
Now it seems like forever I cant get you off my mind

If I could wish upon a star  
Then I would hold you in my arms  
And I know we could love once again

If I could turn the hands of time  
Then you would love to still be mine  
Baby I would be right where you are  
If I could wish upon a star

It obvious and everyone one can see  
Baby you and I are truly meant to be  
But nothing turns out right  
If only I could make you realize  
If only time could give us just another chance  
Id prove it all to you

If I could wish upon a star  
If I could turn the hands of time  
Then Id be in your arms again

If I could wish upon a star  
Then I would hold you in my arms  
And I know we could love once again

If could turn the hands of time  
Then you would love to still be mine  
Baby I would be right where you are  
If I could wish upon a star

If I could wish upon a star
