

# Same Difference, Let Me Be The One

If love is so easy  
Why do words come out wrong?  
Cause I've been longing to tell you  
It's with you that I belong.  
I don't know much  
But this much I know  
I have fallen in love  
Don't wanna let this feeling go.  
I'm helplessly, hopelessly falling  
In love with you.  
Let me be the one  
Let me show you how  
How my heart was made for loving only you  
You're my morning light  
You're my dreams at night  
You're my everything  
Just let me be the one  
The beat of your heart  
Is like music to my soul  
You're the piece I've been missing  
You're the half that makes me whole  
I'm helplessly, hopelessly falling  
In love with you.  
Let me be the one  
Let me show you how  
How my heart was made for loving only you  
You're my morning light  
You're my dreams at night  
You're my everything  
Just let me be the one
