

Same Same, Love Isn't

Do you ever wake up in the morning alone?
And do you ever wish that there was some way you could stay at home?
With somebody who love you and needs you
With somebody who helps to complete you

But I've made mistakes and I know forsure
I won't forget to remember

Love isn't
Always as you see it
Love isn't
Always as you dream it should be
Love isn't
Always gonna find you
But this is love

Cause you're all I'm thinking of

I wanna tell you that I'm sorry I didn't mean that
I wanna say I love you but will I hear those words come back
From somebody who loves me and needs me
From somebody who helps to complete me

But there's one concern that I must consider
Before I start to paint my picture

I'm gonna take my chances
I'm gonna lay my heart out on the line (on the line this time)
I'm gonna love you endlessly
But I'll keep this in the back of my mind
