

# Samhain, Death In Its Arms

Searching around  
Searching and flee (search to flee?)  
To the light nothing can hide  
No one is safe from their fate  
Death  
For you kiss  
Sin a lie  
Embracing unkind  
Nothing is safe from their fate  
Death  
Before you walk  
Sensuously light tTo the light  
Open your eyes  
And no one is safe from their fate  
Death in its arms  
Death in its arms  
Death in its arms  
Death in its arms  
Death in your arms  
Death  
Before your kiss  
A sin a lie  
Embracing unkind  
Nothing is safe from their fate  
Death in its arms  
Death in its arms  
Death in its arms  
Death in your arms  
Death in your arms  
Death in its arms
