

Samhain, Horror Biz

Too much horror business
Drivin' late at night
Psycho '88
My bathroom is new
You, you don't go in the back
Psycho '88
12 o'clock, don't be late
All this horror business
My mirrors are black
You, you don't go in the bathroom with me
I'm warning you
I'll put a knife right in you
Warning you
I'll put a knife right in you
Warning you
I'll put a knife right in you
Too much horror business
Drivin' late at night
Psycho '88
My bathroom is not for you
You, you don't go in the bathroom
Psycho '88
12 o'clock, don't be late
All this horror business
My mirrors are black for you
You, you don't go in the bathroom with me
Warning you
I'll put a knife right in you
Warning you
I'll put a knife right in you
Warning you
I'll put a knife right in you
Warning you
I'll put a knife right in you
Warning you
Nobody can do
What I can do for you
