Samhain, The Birthing

Your pain is nothing dreamed All pain is one Your birth among the mind It leaves such a lesion Do you really want love Do you really care You feel this hungry suffering In this birthing Birthing, your end is birthing like a child Birthing, your end is birthing, open wide In life as it is in death All pain is one In death as it is in birth Pain cures hesitation Do you really want love Do you really care You feel this hungry suffering In this birthing Birthing, your end is birthing like a child Birthing, the end is birthing, open wide Birthing, the end is birthing like a child Birthing, the end is birthing, open wide This pain is nothing dreamed All pain is one This birth among the dead It brings nothing evil Do you really want love Do you really care You feel this hungry suffering In this birthing Birthing, the end is birthing like a child Birthing, the end is birthing, open wide Birthing, the end is birthing like a child Birthing, the end is birthing, open wide
