

# Sammath, Satan Infinity

in the purest form of evil  
where the claws of satan reach

the claws of satan reach  
smothered by thoughts of the devil  
the edge of the universe  
where no soul yet has been  
the darkened paradise

taken to hell's dominion

satan infinity

who is not lost within infinity  
has taken his thoughts upon life  
and spewed them upon his soul  
die

to the glory  
of the birth of chaos
