

# Sammy Davis, Jr., Lonely Is The Name

Lone-ly Is The Name  
That I ans-wer to,  
And cry-ing is the game  
Since I'm losing you;  
I'll never be the same  
With-out your love.

Be-lieve me...

Sorry is the role  
That you make me play,  
Tor-ment-ed is the soul  
That is mine today,  
I'm lost beyond control  
With-out your love.

Missing is the kiss,  
Absent is the sigh,  
Gone -- the look of love  
You wore.  
Was it all a dream?  
Was it all a lie?  
Don't you love me  
Any-more?

Just tell them...

Lone-ly is the name --  
It will always be --  
And crying is the game,  
'Til you're back with me;  
I'll never be the same  
With-out your love.
