

# Sammy Hagar, Bad Motor Scooter

If you get lonely on your daddy's farm  
Just remember I don't live too far  
And there's a red bridge that arcs the bay, yeah  
You'll be at my place in less than a day

So get on your bad motor scooter and ride  
Up over to my place and stay all night  
First thing in the morning we'll be feeling all right  
So get on your bad motor scooter and ride

Ooh, the last I seen your face  
I swore that no one would take your place  
Now since you've been gone I've been feelin' bad, yeah  
I'd come out to your place (but) I'm afraid of your dad

So you get on your bad motor scooter and ride  
Up over to my place and stay all night  
First thing in the morning we'll be feeling all right  
So get on your bad motor scooter and ride

Ride, ride, ride  
Come on baby, ooh yeah  
Crank it on up  
Get on your bad motor scooter
