

Sammy Hagar, Call My Name

Hey now!
(ho-ho-now)
Hey now!
(Ho-ho-now);
I like the way you walk;
like a little stutter,
I like the way you bounce,
like a cow's udder.
But most of all;
(ho-ho-now!)
I said most of all!
(hee-hee-ha-haw-haw-haw!)

I like the way you call my name!
Call my name!
(Sammy!)
Call my name!
(Sammy)
Call me late for dinner,
(Sammy!)
Call me stinky!
(Sammy!)
Call me a
long haired hippie sum'a bitch!
(repeats from beginning three times then fade out)
