Sammy Hagar, Catch The Wind

In the chilly hours and minutes of uncertainty I long to be in the warm halls of your love and mine To feel you all around me To take your hand and walk along the sand Oh, but I may as well try and catch the wind

When sundown pales the sky I want to hide a while behind your smile And everywhere I look your eyes I find For me to love you now Would be the sweetest thing, oh, it would make me sing Yeah, but I may as well try and catch the wind, oh yeah

I'm gonna catch that wind Help me catch the wind All for you, babe Just for you baby

When rain has hung the leaves with tears, I want you near to kill my fear Help me to leave my blues behind For standing inside your heart Where I want to be, oh, I long to be Oh, but I may as well try and catch the wind

I'll try and catch the wind I'm gonna try, oh, to catch the wind Feel your arms around me Oh, all around me, all around me Oh, but I want you, baby, yeah

Oh, I want to say
Oh, help me catch that wind
I'll catch the wind, I'll catch the wind
Oh, yes I will
Oh, yes I will
