

# Sammy Hagar, Deeper Kinda Love

A deeper kinda love  
Has no borderlines, no ties  
A deeper kinda love  
Can bring you down and lift you up so high  
A phoenix starts to rise from the ashes inside my soul  
Leaving old wounds behind, a new me is born  
And you show me your world  
So dangerous, but I let go  
And when I fall, I fall deep  
Into a deeper kinda love  
A deeper kinda love  
Can also bring hurt and pain  
And in the shadow that it casts  
Lies jealousy, fear, and hate  
The more I have to win means the more I have to lose  
And it hits home  
And when I think of losing you  
And your deeper kinda love  
You've shown me a world  
So dangerous, still I let go  
And when I fall, I fall deep  
Into a deeper kinda love  
A deeper kinda love  
Has no borderlines, no ties

A deeper kinda love  
Can bring you down and lift you up so high  
A phoenix starts to rise from the ashes inside my soul  
Leaving old wounds behind, a new me is born  
And you show me your world  
So dangerous, but I let go  
And when I fall, I fall deep  
Into a deeper kinda love  
Show me your world  
A deeper kinda love  
Show me your world  
A deeper kinda love  
Show me your world  
A deeper kinda love  
Show me your world  
Just show me your world  
Show me your world  
A deeper kinda love  
Show me your world  
A deeper kinda love  
Show me your world  
A deeper kinda love ...
