Sammy Hagar, Heavy Metal

Head bangers in leather Sparks fly in the dead of the night It all comes together When they shoot out the lights

50,000 watts of power And it's pushin' overload The beast is ready to devour All the metal they can hold

Reachin' overload Start to explode

It's your one way ticket to midnight Call it Heavy Metal Higher than high, feelin' just right Call it Heavy Metal Desperation on a red line Call it Heavy Metal noise

Tight pants and lipstick She's riding on razor's edge She holds her own against the boys Yeah, cuts through the crowd just like a wedge

Ooh, can you feel the static So many contacts being made We've got up front fanatics Tearing down the barricade

To reach the stage Can you feel the rage?

It's your one way ticket to midnight Call it Heavy Metal Higher than high, feelin' just right Call it Heavy Metal Desperation on a red line Call it Heavy Metal noise, ah

It's your one way ticket to midnight Call it Heavy Metal Higher than high, feelin' just right Call it Heavy Metal Desperation on a red line Call it Heavy Metal

Higher than high, feelin' just right Call it Heavy Metal noise Heavy Metal noise Heavy Metal noise Heavy Metal noise Call it Heavy Metal
