

# Sammy Hagar, I Don't Need Love

Her look is evil satisfaction  
She likes to see me on my knees  
Yeah, but just to touch the main attraction  
Well, I can put up with the tease

I don't need love  
You know what I'm thinkin' of  
I can't get enough, no  
I don't need love

Uh!

There's something crazy goin' down here  
She's tryin' to save it, now you can bet  
I never had my hands and face so full of love  
And never got to get wet, no

I don't need love  
You know what I'm thinkin' of  
I can't get enough  
I don't need love

I don't really know what love is  
Hey, I'm just lookin' for some sex, yeah

I don't need love  
You know what I'm thinkin' of  
I can't get enough, no  
I don't need love

You know what I'm thinkin' of  
I can't get enough  
I don't need love  
I don't need love
