

Sammy Hagar, Let Me Take You There

I know a place ain't nobody cryin' ain't nobody lyin'
lyin' to the races big ole smile upon their faces
oh help me oh help me now

I know a place where ain't nobody worryin' ain't nobody
hurryin' like their time is wastin', their slowin' down their paces
smilin' to the races (I'll take you there)
everybody happy now (I'll take you there) everybody workin' (I'll take
you there) oh we'll take you there (I'll take you there) let me take you (I'll
take you there) I'm gonna take you there (I'll take you there)

I said let me take you down, let me take you down, let me
take you down face down in Cabo we'll be kissin' the ground

I know a place where everybody happy and everybody laughin'
laughin' at that rat race got big ole smile upon their faces (I'll take
you there) lyin' in the sun, lovin' everyone
down there havin' fun come on (I'll take you there)
Come on I wanna take you (I'll take you there)
Yeah let me take you (I'll take you there)
you got to let me (I'll take you there)
oh now come on (I'll take you there)
