

Sammy Hagar, Livin' On A Coastline

Well I'm ridin' down the beach on my ATV
(Livin' on a Coastline)
Just chasin' the sun, she's goin' down on me
(Livin' on a Coastline)

We got a lil bit o sun, we got a lil bit o beach
A whole lotta fun in everybody's reach
Just step right up, we got another fine day
Don't let the big one get away

We're livin' on a coastline...
(Livin' on a Coastline)
Come on get over here now
(Livin' it up)
Yeah!
(Livin' it up)
Yes we are, We're livin' it up, Lovin' it up
Livin' on a coastline

We got a styrafoam chest of Ice cold beer
(Livin' on a Coastline)
We ain't goin' nowhere we got it all right here
(Livin' on a Coastline)

Yeah stone guaranteed to kill the summertime blues
Put your feet in the sand and throw away your shoes
You just step right up, we got another fine day
Got a nice cool breeze, blow your cares away
Don't take much to have alot to say
Don't let the big one get away

We're livin' on a coastline
(Livin' on a Coastline)
Come on now yeah
