

# Sammy Hagar, My Hometown

Well, I just stepped off the plane  
Both feet on the ground  
Yes, I can't complain  
Yeah!  
Be.... My friends standin' there  
Come to welcome me  
Nothin' can compare  
Hey!  
Wow! This is, my home town  
I'm back, in my hometown  
Alive and, lovin' my hometown yes I'm back, I'm back  
This is my home.....  
Drivin', down the street, yes it all comes back  
Rockin' to the beat..... Ha!  
Whoo!  
Music's playin' loud, 'sure have missed these sounds  
Gotta love big crowds.....Yeah!  
This is, my hometown  
I'm back, in my hometown  
Yes I'm lovin', lovin', lovin' my hometown  
I'm back, I'm back for what is  
My home.....

Yes! I'm back, I'm back, I'm back I'm back  
{guitar solo}
