

# Sammy Hagar, Protection

Lay down your arms  
Go in peacefully  
Lay down your freedom  
Your individuality  
No place to run  
Youre outta sanctuary  
So lay down your arms  
Jrs. got your gun  
Hey, we need protection  
Yea, we need protection from the system  
All we needs protection  
State your name  
Where youre coming from  
State your age  
Where youre going to  
Hands on your head  
Turn and face the wall  
Dead to rights  
Youre messing with the law  
Hey, we need protection  
Yea, we need protection from the system  
All we needs protection  
Hey, we need protection from protection  
from protection from protection from protection  
Hey, we need protection  
Yea, we need protection from the system  
All we needs protection  
Yea, we need protection from protection  
from protection from protection from protection  
Yeah, Yeah, Yeah ...
