

Sammy Hagar, Remember The Heroes

Stranger in a foreign land
Fearful cries surround him
Returning home a wounded man
To find he's been forgotten, yeah

Courage is the badge he wears
Blinded by obsession
Wars are won by those who dare
The memory still haunts him

Remember the heroes
Who fight for the right to choose
Remember the heroes
We've all got a lot to lose

A rebel to the naked eye
An undiscovered legend
Face the facts and don't ask why
It's something to believe in
In the dark, day and night
Fight for wrong to prove what's right

Remember the heroes
Who fight for the right to choose
Remember the heroes
Just another life to use
Remember the heroes
We've all got alot to lose

"(Remember the heroes)"
"(Remember the heroes)"
"(Remember the heroes)"
"(Remember the heroes)"

To take one life without a say
Demanded without reason
To turn our backs and walk away
A faceless act of treason
A father's son must carry on
The wound is only deepened

Remember the heroes
Who fight for the right to choose
Remember the heroes
It's just another life to use

Remember the heroes
You know we all got alot to lose
Remember the heroes
Who's gonna fill their shoes?
