

# Sammy Hagar, Salvation On Sand Hill

I wasn't worried  
I walked into the room  
I saw the serpent's shadow  
Against a silver moon  
And they said as long as you believe  
You'll be alright

And I wasn't worried  
Till I saw one bite  
You could touch, you could feel  
You could smell them all through the night  
Oh, but as long as you believe, you're gonna be alright  
Or you'll be running, running for your life

But I didn't worry  
When I caught the spell  
I saw the eyes, saw the teeth, beads of sweat  
Think I'd gone to hell  
But just as long as you believe  
A snake won't bite  
Or you'll be running, running for your life

But I've gotta tell you  
Power over snakes, ooh  
It sure makes me feel so different  
From a cane break  
And just as long as you believe  
A snake won't bite, yeah

Taking up serpents  
Can take your life  
They stuck my hand down in there  
Without a bite  
Oh, just as long as you believe, oh  
You'll be alright  
I should be running, running for my life

Yeah, oh, I didn't tell you  
About the one that got bit  
On the face, on the arms, 'tween the legs  
On the back of the neck

Oh, you see, he didn't believe  
The boy didn't believe  
I said he didn't believe  
He didn't believe  
And just as long as you believe, a snake won't bite

See, I didn't worry  
'Cause the snake won't bite  
Snakes won't bite, ah  
And the snake won't bite
