

Sammy Hagar & The Waboritas, Make It Alright

Hey
You can make it alright
With a hint of a smile
With a wink of an eye
If I could just let you know
My heart's in your hands
Go carefully
Still holdin on
Not lettin go

You can make it alright
Hey, Yeah
You can make it alright
Yeah, yeah, yeah
You can make it alright
Oh, yeah
You can make it alright
Yeah, yeah, yeah
You can make it alright

Faith
When a promise is made
So rusty and cold
Just hangin bare
On the shoulders of time
Crushin the will
Close to the line
But still holdin on
Not lettin go

You can make it alright
Hey, yeah
You can make it alright
Yeah, yeah, yeah
You can make it alright
Oh, yeah, yeah
You can make it alright
Yeah, yeah, yeah
You can make it alright
You can make it alright

Hey, Yeah
You can make it alright
Yeah, yeah, yeah
You can make it alright
Oh, yeah
You can make it alright

Yeah, yeah, yeah
You can make it alright
You can make it alright
You can make it alright
Oh, yeah

You can make it alright
