

# Sammy Hagar, Wash Me Down Again

I'm feelin' 40 days, 40 nights ain't enough  
Come on wash me down 'cause I ain't giving up  
Hey

I don't want to leave but how can I stay  
I feel those magical things slipping away  
A full circle's come around to the beginning of the end  
Wash me down again

I'm stripped to the bone with nothing to fear  
Four walls came tumbling down, now everything is clear  
Full circle's come around to the beginning of the end  
So wash me down again

There's a point of loss, a point of no return  
Where nothing left will burn

So wash me down again  
Wash me down again  
Take me to the water  
Wash me down again, wash me down

Hey

Yeah, wash me down again  
Wash me down again  
Take me to the water, oh yeah  
Wash me down again, wash me down

I'm feelin' 40 days, 40 nights ain't enough
