

Sammy Kershaw, Cry, Cry Darlin'

(Jimmy Newman/J.D. Miller)

Cry, cry darlin?
That what I do
If you leave me with the blues

Cry, cry darlin?
That all I do
If it you I should lose
For me there be no sunshine
If we should ever part

Cry, cry darlin?
That what I do
'Cause youe the one in my heart

Cry, cry darlin?
My eyes would cry
Never dry if you should go

Cry, cry darlin?
When shadows breathe
I just weep all night I know
Girl you know how much I would miss you
If we should ever part

Cry, cry darlin?
That all I do
'Cause youe the one in my heart
Cry, cry darlin?
That all I do
'Cause youe the one in my heart
