

Sammy Kershaw, I Finally Found Someone

Sammy:

I finally found someone that nocks me off of my feet
I finally found the one that makes me feel complete

Lorrie:

It started over coffee
We started out as friends
It's funny how from simple things the best things begin

Sammy:

This time it's different it's all because of you
It better than it's ever been cause we can talk it through

Lorrie:

My favorite line is can i call you sometime
it's all you had to say to take my breath away

(Chorus: together)

This is it... OHHH I finally found someone
Someone to share my life
I finally found the one
to be with every night
Cause what ever i do
it's just got to be you
My life has just begun
I finally found someone

sammy:

Did i keep you waiting
I didnt mind (echo)
I apologize
baby thats fine (echo)
I would wait forever just to know you were mine
Girl I love you hair
Are you sure it looks nice (echo)
I love what you wear
Isn't it too tight (echo)
Your exceptional
I cant wait for the rest of my life (together)

(Repeat Chorus)

Lorrie:

And what ever I do

sammy:

It's just got to be you

together:

My life has just begun
I finally found someone
