Sammy Kershaw, Love Of My Life

You are the love of my life and you are the reason I'm alive and baby baby baby when I think of how you saved me I go crazy

I've never known love like this and it fills me with a new tenderness and I know I know I know You're in my heart, You're in my soul You're all I can't resist

And I need to tell you The first time I held you I knew You are the love of my life

I spent a lifetime waiting always hesitating until you I was lost so deep inside my shell til you came and saved me from myself now all I really know is I need you

and you are the love of my life All the joy and tears that I cry and baby baby baby You don't have to say a word I see it in your eyes

As we stand together I promise forever til the day that I die You are the love of my life

I spent a lifetime waiting always hesitating until you I was lost so deep inside my shell til you came and saved me from myself now all I really know is I need you

You are the love of my life and you are the reason I'm alive
