

# Sammy Kershaw, Roamin' Love

(Sammy Kershaw)

Well you broke my heart  
Then you said goodbye  
You didn't stick around long  
Enough to see me cry  
I tried to get you on the phone  
But you were long gone  
Guess I'll just spend a whole bunch  
Of nights sittin' all alone

Time and time again  
I would let you back in  
After foolin' around with  
Some of my old friends  
You thought it didn't show  
And I would never know  
That you were up to no good  
Every time you walked out the door

You've been playin' with my heart  
From the very start  
Well we should've had a thing  
They couldn't pull apart  
You kept me standing in line  
For a long long time  
Just waitin' for you roamin' love  
That should have been all mine

You've been playin' with my heart  
From the very start  
Well we should've had a thing  
They couldn't pull apart  
You kept me standing in line  
For a long long time  
Just waitin' for you roamin' love  
That should have been all mine

You kept me standing in line  
For a long long time  
Just waitin' for you roamin' love  
That should have been all mine  
Just waitin' for you roamin' love  
That should have been all mine
