

Sammy Kershaw, There's Love On The Line

(feat. Ronna Reeves)

Sammy: I'm sorry

Ronna: Hello

Sammy: I'm unable to come to the phone

Ronna: Are you there?

Sammy: So if you don't mind just wait for the tone

Ronna: Are you listening?

Ronna: Are you alone? please answer

Sammy: Leave your name

Ronna: By now you must know love is true

Sammy: And the time

Ronna: Consider the pain that we're going through

Sammy: And your number

Sammy: And I'll get back to you

(both)

There's love on the line

Don't let it go cold

You won't get a thing

By leaving our dreams on hold

We've tried for a while

To loosen the ties

And we've suffered enough

To know there's still love on the line

Ronna: I'm sorry

Sammy: Hello

Ronna: At the moment I can't take your call

Sammy: Can we talk

Ronna: I'm busy right now

Ronna: Climbing these walls

Sammy: I can see now I'm nothing at all without you

Ronna: Leave your name

Sammy: To keep missing each other ain't right

Ronna: And a message

Sammy: This feeling inside is too strong to fight

Ronna: And the fact that you love

Both: I need you tonight

(both)

There's love on the line

Don't let it go cold

You won't get a thing

By leaving our dreams on hold

We've tried for a while

To loosen the ties

And we've suffered enough

To know there's still love on the line

Oh we've suffered enough

To know there's still love on the line
