

# Sammy Kershaw, These Flowers

(Rick Giles/Chris Waters)

I wanted to make a good impression on this date  
So I stopped off and picked these out myself  
But I hope you understand that this package in my hand  
Is actually meant for someone else

These flowers ain't for you  
They're for your momma  
Later on I got something for you too  
These flowers ain't for you  
They're for you momma  
To thank her for havin'  
A good lookin' sweet young thing like you

You don't have to ask, I admit that in my past  
I ain't been the type that mommas like  
But this time what I need is you forever lovin' me  
So I'm doing all I can to do things right

These flowers ain't for you  
They're for your momma  
Later on I got something for you too  
These flowers ain't for you  
They're for you momma  
To thank her for havin'  
A girl of my sweet dreams  
A good lookin' sweet young thing like you

You mean so much to me  
I'd do anything to get to you  
I want your family  
To all side up with me from the start  
When I ask you for your heart

These flowers ain't for you  
They're for your momma  
Later on I got something for you too  
These flowers ain't for you  
They're for you momma  
To thank her for havin'  
A girl of my sweet dreams  
A good lookin' sweet young thing like you  
To thank her for havin'  
A girl of my sweet dreams  
A good lookin' heart stoppin' sweet young thing like you
