

# Sammy Kershaw, You've Got A Lock On My Love

(Buddy Cannon/Larry Bastian)

When I go walkin?down the street  
The girls that used to catch my eye don interest me  
I got my mind on you instead  
Marilyn Munroe could not turn my head  
Don you see le got a one track mind  
Youe got me wearin?blinders

Youe got a lock on my love baby  
Ain goin?no where can you see  
Youe got a lock on my love baby  
Throw away the key

I never thought I see the day  
I be happy 'bout a woman takin?my feedom away  
Never thought I walk the line  
But baby let me say the pleasure is all mine  
Let the other guys make the rounds  
Lookin?for what I found

Youe got a lock on my love baby  
Ain goin?no where can you see  
Youe got a lock on my love baby  
Throw away the key

Makin?love to me just used to be a game to play  
But when I met you I threw my little black book away  
Youe got a lock on my love baby  
Ain goin?no where can you see  
Youe got a lock on my love baby  
Throw away the key  
Youe got a lock on my love baby  
Ain goin?no where can you see  
Youe got a lock on my love baby  
Throw away the key  
Throw away the key  
Throw away the key  
Throw away the key  
Throw away the key
