

# Sammy, Ocean

Walking on the ocean  
looking for myself  
I breath, breath this salty damp air  
listen to the rush of the ocean so alone but not lonely

Slowly the sun vanish behind the sea  
it's dark  
but I am not afraid  
slowly I start thinking  
after hours or days without thoughts  
so alone  
alone with nature

Refrain:  
After a long way to go  
I don't know how far  
sit down on the warm sand  
I've forgotten time don't know  
if minutes days or hours

I hear a silent melody  
it reminds me the day when we met  
so surprised about the feelings  
emotions, that found me

Refrain
