

# Samson, Tomorrow Or Yesterday

Once I had a dream I couldn't sleep through  
But it told me off a game, I just couldn't see through  
Can I really, really say...  
If it's tomorrow or yesterday

Is there really a story behind this moral?  
Or is it happiness instead of sorrow?  
Can I really, really say...  
If it's tomorrow or yesterday

\*SOLO\*

Is there really a story behind this moral?  
Or is it happiness instead of sorrow?  
Can I really, really say...  
If it's tomorrow or yesterday
