

# Samu Haber, Gimme Your Hand

Don't tell me you're sorry  
'Cause I know you ain't walking around in regret  
At the end of the story  
You'll find a new friend you'll never forget

Gimme your hand

Gimme your hand, baby, I will guide you  
We can get lost now that I have found you  
You feel the world burning

Jump high with me, baby  
Let's fly to the moon and then back when we're done  
Keep making me crazy  
Please stay

'Cause I can't do these all on my own  
Baby, gimme your hand

Yes, gimme your hand, baby, I will guide you  
We can get lost now that I have found you  
You feel the world burning  
This is our chance and we should not waste it  
We can keep dancing when all else fails, yeah  
You see the days turning

Gimme your hand  
Gimme your hand  
Baby, gimme your hand  
Yeah, hey, ey

So gimme your hand, baby, I will guide you  
We can get lost now that I have found you  
You feel the world burning  
This is our chance and we should not waste it  
We can keep dancing when all else fails, yeah  
You see the days turning

Baby, gimme your hand  
Please gimme your hand  
Gimme your hand

Don't say that you're sorry  
'Cause I loved you, I love you too much to look back
