Samurai Champloo, YOU

oh, you know you know what to say say " I love you" oh, I think you've go to know right away "maybe me too" you you are a nice, cool breeze in me I feel you blowing in I can feel the sunlight all around me You're shinning I feel beautiful when I'm around you I'm safe and comfortable 'cause you are wonderful it feels natural to be around you you've made it possible you're wonderful oh, can I can I tell you why why I need you oh, my life you made it a cloudless sky I can fly through you you are a deep, strong wind in me I feel you - come on in can you see the sunlight all around me You're smiling I feel beautiful when I'm around you I'm safe and comfortable 'cause you are wonderful it feels natural to be around you you've made it possible you're wonderful
