

# San Cisco, Awkward

Why do stars fall at night, well are you here  
I got your message last night  
You didn't get mine, cos you've been calling me for days  
Why do you hold on so tight, what do you feel  
I got your message last night  
You didn't get mine, cos you've been calling me for days

I wouldn't have gone to dinner if I knew you'd agree with everything I say  
I left a message last night  
You haven't called back, I've been calling you for days  
I had my keys at the gate, my mind was mad up to make a quick escape  
I left a message last night  
You haven't called back, I've been calling you for days

I saw you at dinner last night you were holding his hand  
I've been watching you for days  
I thought I saw you last night get out of my life  
You've been stalking me for days
