Sanchez, Can't Remember The Last Time

I'm alone I am waiting sitting here alone
waiting for my baby to come on home to me
to give me all I need, but I'm afraid
thinking some else will take you instead
all this things are going through my head
because I don't know what to do
Can't remember the last time I saw you
Can't remember the last time we kissed
Can't remember the last time we exchanged a word
just come on over I'll be home
everyday oh I wish the memories go away
and will bring back another day of you
oh I care for you
but I am wrong cause the memories go on and on
keep me singing the same old song
and now oh I'm so confused
Can't remember the last time I saw you
Can't remember the last time we kissed
Can't remember the last time we exchanged a word
just come on over I'll be home
lalalalalalalalalalalalalalalalalalalalalalalalalalalalalalalala
and I'm afraid thinking some else will take you instead
all the things are going through my head because I don't know what to do
Can't remember the last time I saw you
Can't remember the last time we kissed
Can't remember the last time we exchanged a word
Come on over I'll be home
everyday oh I wish the memories go away
and bring back another day for you
oh I care for you
but I am wrong cause the memories go on and on
keep me singing the same old song
and now oh I'm so confused
Can't remember the last time I saw you
Can't remember the last time we kissed
Can't remember the last time we exchanged a word
just come on over I'll be home
Can't remember the last time I saw you
Can't remember the last time.....
