

Sanchez, Can We Talk?

Last night I, I saw you standing
And I started, started pretending
I knew you, you knew me too
And just like a lonely, you were too shy
And you were all lonely, and so was I
And I, dreamed of you ever since
Now I, build up my confidence
That next, next time you come my way
I'll know just what to say
Can we talk, for a minute
Girl I want to know your name
Can we talk, for a minute
Girl I want to know your name
I started, to write you letters
Cause I want her, to be, more than ever
I wanted to get down and receive, to hug you
Girl.....
But, just like a baby, I do not talk
I tried to get closer, but I could not walk
And I, dreamed of you ever since
Now I, build up my confidence
That next, next time you come my way
I'll know just what to say
