

Sanchez, Here I Am

Here I Am, Here I Am

Ohhhh Yea

Here I Am

Playing with those memories again

And Just when I thought time has set me free

Those thoughts of you keep haunting me

Holding You, A feeling I never once knew

Though each and every part of me had tried

Only you can fill that space inside

But I guess am pretending

My heart is not mending

Chorus

Just when I thought I was over you, yeah

Just when I thought I could stand on my own

Oh Baby, those memories just come crashing through

And I just can't, go on without, you

On my own, I've tried to make the best of things alone

I've done everything I can to ease the pain

But only you can stop the rain

I just can't live without you

I've got everything about you

Chorus

Oh Yes Yes

Here I am, Here I Am

Ohh Yea-yea, Here I Am

Playing with those memories again

And Just when I thought time has set me free

Those thoughts of you keep haunting me

Holding You (fade)
