## Sanchez, Here I Am

Here I Am, Here I Am Ohhhh Yea Here I Am Playing with those memories again And Just when I thought time has set me free Those thoughts of you keep haunting me Holding You, A feeling I never once knew Though each and every part of me had tried Only you can fill that space inside But I guess am pretending My heart is not mending Chorus Just when I thought I was over you, yeah Just when I thought I could stand on my own Oh Baby, those memories just come crashing through And I just can't, go on without, you On my own, I've tried to make the best of things alone I've done everything I can to ease the pain But only you can stop the rain I just can't live without you I've got everything about you Chorus Oh Yes Yes Here I am, Here I Am Ohh Yea-yea, Here I Am Playing with those memories again And Just when I thought time has set me free Those thoughts of you keep haunting me Holding You (fade)
