

# Sanctuary Rig, Learn Again

And the fire becomes a burning ember  
Cerridwen the Queen shall come  
And when the Earth and Sky remember  
Taliesin's work is done

You've got to take it with you  
Ain't nothing I can give you  
Turn around and learn again

And Atulya will journey  
Guided by my sister's hand  
And in the vale I want her only  
Manu has become my land

You speak the charm of making  
My Wyrð is for the taking  
Turn around and learn again

And when Akhia rides in splendour  
Even Vali shields his face  
And in the waning of December  
Then the Brave assumes his place

You speak of shining glory  
But that's another story  
Turn around and learn again
