

Sanctus Real, Don't Give Up

I heard you say you would love for a lifetime
Now you complain a lifetime just doesn't feel right for you
Another casualty of casual love
Another soul out of place, a heart that gave up
Why do we break the promises we make?
Are we living for ourselves?
Don't give up on love and throw it all away
Don't give up on love and let it fall away
When did it become so easy to run from your pain
Don't give up on love and throw it all away
I heard you say you can't change a stubborn heart
I can relate 'cause that's how I feel when I talk with you
Why should it take losing everything
to realize it might be time to change?
Don't give up on love and throw it all away
Don't give up on love and let it fall away
When did it become so easy to run from your pain
Don't give up on love and throw it all away
Your restless heart won't win 'cause you take but you don't give
And you'll keep moving on until you learn what love is
Don't give up on love and throw it all away
Don't give up on love and let it fall away
Don't give up on love
