

Sanctus Real, Eloquent

I'm as eloquent as an elephant
I'm as headstrong as the Mighty King Kong
On a rampage throwing airplanes
I can't believe you haven't gone away
I am difficult, argumentative
I'm as thick skulled as the dinosaur bones on a display in a glass case
I can't believe you haven't run away
[Chorus:]
It must be different through your eyes
Because you look at me like it's the first time
That you've ever seen my face
I'm preoccupied with a crowded mind
I get off track like a train rolling back to the future
Never too sure who'll be here when I come back around
But I'm finding out
