

Sanctus Real, Say Goodbye

So say goodbye 'cause you'll be leaving soon
I know it's hard, and I'll be missing you
I know it's time to say goodbye
I know the road, has worn You down
You never broke, you always held your ground
But now it's time to say goodbye
Say goodbye
Say goodbye
And though you're gone I
remember now the time we shared,
Your words still ring out
You're never far, you're in my heart
Someday we'll meet again
'Cause that's how the story goes
It's so hard to say goodbye
Say goodbye
