

Sandi Patti, Forever Friends

Verse 1:

All around us things are changing
Seasons come and seasons go
Very few things last forever
Deep inside our hearts we know

Chorus:

Were forever friends
Bond by love that time can't take away
Forever friends caring in a special kind of way
Heart to heart and hand in hand
We'll stand until the end
Loves forever when your forever friends

Verse 2:

We're all children of the father
In his keeping and his care
And the spirit that he gives us
Is the love we're meant to share

Chorus

Bridge:

And though we know it's time to say goodbye
We will always be together
And here's the reason why.

Chorus
