

Sandra, Always on my mind

Somethin' about ya...
we say hello
kiss on the cheek I know
there's something there I try so hard to hide
so I walk away
to escape the pain
that I must face when I look in your eyes
it's so hard to pretend
you're only a good friend
cause you and me are meant to be
walking hand in hand
so I try to resist
I'm burning for your love
I can't get myself to give it up
I'm not supposed to love you
but I can't help it
I'm not supposed to want you
but I can't fight it
I'm not supposed to show you
my feelings hiding every sign
but I can't lie you're always on my mind
I can't deny you're always on my mind
(Rap)
when you pass me by
I can feel the fire
try to keep it down but everybody knows
when we hug goodbye
you hold on so tight
feels so good I don't want to let go
it's so hard to pretend
you're only a good friend
cause you and me are meant to be
walking hand in hand
so I try to resist
I'm burning for your love
I can't get myself to give it up
I'm not supposed to love you
but I can't help it
I'm not supposed to want you
but I can't fight it
I'm not supposed to show you
my feelings hiding every sign
but I can't lie you're always on my mind
I can't deny you're always on my mind
come on, yeah, feel the vibe, girl!
come on, yeah
I'm not supposed to love you
but I can't help it
I'm not supposed to want you
but I can't fight it
I'm not supposed to show you
my feelings hiding every sign (every sign)
but I can't lie you're always on my mind ...
