

# Sandra, Footprints

Reaching higher ground, past the moon, to the stars  
Pray for you to stay, for a chance, for a new start

Rhythm is the life, life of my beating heart  
Past times fade away  
But every moment leaves a mark  
Waves will break the water but not the sand

Footprints over my heart  
People who stay never depart  
Footprints in the sands of time  
No one can take the love that's mine  
Footprints - you hold my hand  
Leaving footprints in the sand

Some will run and hide when the tide is getting high  
They don't, they don't, they don't know  
How to hold on tight, ride the storm  
See the sun shine again

The ones who held my hand  
The ones who tried to understand  
This is for the ones  
Who left their footprints in the sand

Footprints over my heart  
People who stay never depart  
Footprints in the sands of time  
No one can take the love that's mine

Footprints - you hold my hand  
Leaving footprints in the sand  
Footprints over my heart  
People who stay never depart  
Footprints in the sands of time  
No one can take the love that's mine  
Footprints - you hold my hand  
Leaving footprints in the sand

The ones who held my hand  
The ones who tried to understand  
This is for the ones  
Who left their footprints in the sand

Footprints over my heart  
People who stay never depart  
Footprints in the sands of time  
No one can take the love that's mine  
Footprints - you hold my hand  
Leaving footprints in the sand

Footprints over my heart  
People who stay never depart  
Footprints in the sands of time  
No one can take the love that's mine  
Footprints - you hold my hand  
Leaving footprints in the sand
