

Sandra, Just Like Diamonds

fade away
my time in slow motion
any day
when i hear you call
i tremble deep inside
means love
tonight

Jesus handed down his love
an' cried
precious diamonds
you said you'd love me
i saw your eyes
shine like diamonds
an' my tears are nothing more
than a dream
just like diamonds

heard a song
my face on your shoulder
for so long
i could hear this song
it lingers in my heart
means love
tonight

Jesus handed down his love
an' cried
precious diamonds
you said you'd love me
i saw your eyes
shine like diamonds
an' my tears are nothing more
than a dream
just like diamonds

your eyes
keep shinin'
just like diamonds
