

Sandra Nasic, Do It Again

When the world slows down.
I could hear you heart.
You can try if you want but the pain i still stuck in your head.
Oh I know how it feels.
When it tears you apart.
If the fairy tale ends I'll be travelin' around in your head.

You could change that lock, let me cover that heart.
You can try if you want but I'm always in sight.
I'm your low fat love filled with sins I will seek.
The fairy tale ends are you ready.

Damn I would do it again.
So we'll do it again.
Damn I would do it again.
So we'll do it again.

When it's cold outside.
Will you let me in.
I could show you the world, where every things gone with the wind.
And you know how it feels,when it tears you apart.
If the fairy tale ends I'll be travelin' around in your head.

You could change that lock, let me cover that heart.
You can try if you want but I'm always in sight.
I'm your low fat love filled with sins I will seek.
The fairy tale ends are you ready.

Damn I would do it again.
So we'll do it again.
Damn I would do it again.
So we'll do it again.

I won't let it go.
Come on let it go.
I won't let it go.
Come on let it go.
Baby I'm running through your veins.
Baby I'm running through your veins.

Damn I would do it again.
Yes I will do it again.
Damn I would do it again.
Yes I will do it again
Yes I will do it again.
