

Sandra, The Journey

(A: Cold Out Here)

darkness forever
neverending night
flame in the ashes
water turns to ice
oh it's cold out here
it's cold out here

(B: I'm Alive)

wake up to the break of day
wake up from a dream
world outside is dark and grey
no one in the streets
can you hear me
i'm alive

don't know where you've been last night
don't know where to go
i hope that you're alright
walk an endless road
can you see me
i'm alive
can you hear me
i'm alive

(C: Paintings)

paintings in yellow
sun in the night
dream of life
will this dream come true some day
paintings in yellow
believe me when i say
don't know how
but i try to make you see

(D: Come Alive)

dreamin the impossible
cryin for the moon
i keep the dream alive
i know you'll learn this too
can you see me
come alive
can you hear me
come alive

(E: The End)

darkness is over
light is in your eyes
i hear your laughter
lyin by your side
won't be cold in here
won't be cold in here
