

# Sandra, The Journey

(A: Cold Out Here)

darkness forever  
neverending night  
flame in the ashes  
water turns to ice  
oh it's cold out here  
it's cold out here

(B: I'm Alive)

wake up to the break of day  
wake up from a dream  
world outside is dark and grey  
no one in the streets  
can you hear me  
i'm alive

don't know where you've been last night  
don't know where to go  
i hope that you're alright  
walk an endless road  
can you see me  
i'm alive  
can you hear me  
i'm alive

(C: Paintings)

paintings in yellow  
sun in the night  
dream of life  
will this dream come true some day  
paintings in yellow  
believe me when i say  
don't know how  
but i try to make you see

(D: Come Alive)

dreamin the impossible  
cryin for the moon  
i keep the dream alive  
i know you'll learn this too  
can you see me  
come alive  
can you hear me  
come alive

(E: The End)

darkness is over  
light is in your eyes  
i hear your laughter  
lyin by your side  
won't be cold in here  
won't be cold in here
