

Sandra, You Are So Beautiful

You are so beautiful to me
(As long as the world keeps turnin)
You are the only thing I need in my life

Will you be my guidin light
And forever on my side
Really need to know where I belong

When any show that's on TV
And any fashion magazine
Make believe what's right and what is wrong

Sometimes I feel lonely
But that won't last forever
I'm leaving this just behind

You are so beautiful to me
(As long as our hearts keep burnin)
You are the only thing I need in my life

Could you ever turn around
I could never let you down
Wanna look you straight into the eye

I don't even care about
What is in and what is out

Sometimes I feel lonely
But that won't last forever
I'm leaving this just behind

You are so beautiful to me
(As long as the world keeps turnin)
You are the only thing I need in my life

You are so beautiful to me
(As long as our hearts keep burnin)
You are the only thing I need in my life
